HERITAGE
LIFESTYLE**

Clément Peduzzi et
Maxime Blondeau
Yacht Club de Toulon - 2016

Founded in 1950 by one man, the visionary **HOBIE ALTER**, in his parent's garage.

Inspired by his passion for the **WATER**, supported by his family and community. Hobie created a **LIFESTYLE** around fun and enjoying the environment.

Redefining limits through constant **INNOVATION**, Hobie creates watercraft that allow people to experience and play on the water in new ways.

A strong and unique **HERITAGE** that lives on, rooted in decades of board shaping and boatbuilding knowledge.

Constructed with the finest quality materials, every detail demonstrating the **CRAFTSMANSHIP** forever associated with Hobie.

Built to go far and get you there fast, **PERFORMANCE** oriented products that whisk you away to your next adventure.

The only question is... What will you do next?

Join Hobie on the water and...

ALTER YOUR BOUNDARIES.

ROTOMOLDED BRAVO

The Hobie Bravo is ideal for beginners on moderate days while still offering an entertaining ride for skilled hands on breezy days. Its unique hard deck attaches directly to the hulls. Sturdy rotomolded polyethylene construction makes the Bravo an ideal candidate for beach launchings and wind-day docking lessons, and its user-friendly, boomless mainsail twists off in puffs while remaining stiff enough to capture gentle breezes. Should the wind machine really start piping, the Bravo's sail, which flies off of an easy-to-step A-frame mast, is easily reefed.

STANDARD FEATURES:

- Impact-resistant rotomolded polyethylene hulls offer year of service
- Boomless square-top Dacron mainsail twists off in gusts for power control; angled full battens allow for easy reefing and furling
- A-frame mast is quick to rig
- EZ Loc Rudder System makes lowering or raising the rudder a quick task
- Four corner-mounted carrying handles and dual under-deck handles offer solid grips
- Single 8" "Twist and Seal" hatch keeps small items dry
- Six-scuppers cockpit drains quickly
- Padded hiking straps provide windy-day relief
- Non-conductive Comptip mast helps ensure safety
- "Hobie Bob" mast float and a dedicated righting line ease capsizing recovery

OPTIONS:

Boom, beach wheels/dolly

SPECS:

Crew - E.C. category: 1/2 - D
Length: 12' / 3.65 m
Beam: 4' 5" / 1.35 m
Capacity: 400 lbs. / 181 kg
Weight: 195 lbs. / 88.45 kg
Draft w/ Rudder Up: 9" / 0.23 m
Mast Length: 19' / 5.79 m
Sail Area: 86 ft² / 7.99 m²
Hull Construction: Rotomolded Polyethylene

FROM BEGINNERS TO
EXPERTS, **THE BRAVO**
DELIVERS GOOD TIMES

ROTOMOLDED CATSY

Easy to assemble and to sail, the Hobie Catsy was specially designed for beginners in the sport of catamaran sailing.

STANDARD FEATURES:

- White polyethylene hulls
- Mast float
- Colored Dacron Mainsail with reef points
- Colored Dacron, jib with anti-UV strip
- Mesh trampoline with pockets
- Lexan rudder blades
- Tendon connection kit
- Standard blocks
- Hawaiian righting kit

OPTIONS:

Aluminium beach dolly

SPECS:

Crew - E.C. Category: 1/2 - D

Length: 3.10 m / 10' 2"

Beam: 1.66 m / 5' 5"

Mast Length: 4.10 m / 13' 5"

Mainsail Area: 5 m² / 53.8 ft²

Jib Sail Area: 0.85 m² / 9.15 ft²

Weight: 75 kg / 165 lbs

Capacity: 160 kg / 353 lbs

Hull Construction: Rotomolded Polyethylene

SAILING DISCOVERY FOR THE YOUNG

**SPORTY, STABLE AND SPEEDY,
THE WAVE OFFERS IMPRESSIVE
MISSION FLEXIBILITY**

ROTOMOLDED WAVE

The minimal-maintenance Wave has earned its reputation as a fun and versatile beach cat thanks to its impressive buoyancy. While the Wave makes for a great social platform, it's also a sporty, performance-minded catamaran that boasts symmetrically shaped keels that create lift, without the need for daggerboards. The boat's rotomolded polyethylene hulls are safe, sturdy and encourage island exploration, while its sailplan can tackle everything from light airs to days when the wind is blowing dogs off chains. Additionally, the Wave stands ready to serve schools, resorts or charter fleets.

STANDARD FEATURES:

- Impact-resistant, rotomolded polyethylene hulls are positively buoyant and beaching-friendly
- Molded-in centerline keels replace daggerboards
- EZ Loc Rudder System simplifies raising and lowering rudder
- Fully-battened, multi-colored square top Dacron mainsail is boomless and features a safety view window (available in Martinique color)
- 3-piece mesh trampoline that's fitted using a system of laces and grommets
- Non conductive Comptip mast bolsters safety around wires
- Comfortable padded seat cushions provide all-day comfort
- "Hobie Bob" mast float and a dedicated righting line ease capsizing recovery

OPTIONS:

Zipper-reefing mainsail, jib kit, spinnaker kit, padded backrests, beach wheels/dolly

SPECS:

Crew - E.C. category: 1/2 -D

Racing Crew: 1

Length: 13' / 3.96 m

Beam: 7' / 2.13 m

Draft w/ Rudder Up: 11" / 0.28 m

Mast Length: 20' / 6.09 m

Sail Area: 95 ft² / 9 m²

Weight: 245 lbs / 111 kg

Capacity: 442 lbs / 165 kg

Hull Construction: Rotomolded Polyethylene

**A RECREATIVE SIMPLE YET
PERFORMANT CAT**

ROTOMOLDED

T1

With its international design, the Hobie T1 is simple and performant. Everything on board is meant for ergonomoy and security : molded-in rear and front handles for easy transportation, crossbar attachments with ergonomid nuts with round smooth surface, 100 % waterproof crossbar and gudgeons inserts for easy assembly, anti-skid surface molded in the hulls on the deck and between the crossbars and the mast float. The fully battened colored Dacron loose-footed mainsail ("Catalina") with reef points and the smaller sail set ("Mistral") available for lighter crews complete the equipment.

STANDARD FEATURES:

- Rotomolded polyethylene two-shot hulls, with keel
- 100% waterproof inserts integrated in the hulls for beam assembly
- Molded-in rear and front handles
- Fully-battened, multi-colored square top loosfooted Dacron mainsail with reef points
- Dacron jib with anti-UV strip
- Blue mesh two-pocket trampoline attached with integrated tracks on hulls
- EZ Loc Rudder System
- Lexan rudder blades
- Aluminum mast and tiller extension
- Jib sheet fixed on front crossbar
- Integrated traveler track on rear crossbar
- Standard blocks
- SSI main traveler
- Righting line and "Hobie Bob" mast float for easy righting

OPTIONS :

Small sail kit, trapeze kit, trumpet spinnaker kit, furling jib, beach dolley.

SPECS:

Crew - E.C. category: 3- C / 4 - D

Length: 4.04 m / 13' 3"

Beam: 2.13 m / 7'

Mast Length: 6.60 m / 21,65'

Main Sail Area: 9 m² / 96,9 ft² (Catalina) - 7,20 m² / 77,5 ft² (Mistral)

Jib sail area: 2.25 m² / 24,2 ft²

Weight: 120 kg / 264,5 lbs

Capacity: 240 kg / 529 lbs

Hull Construction: Rotomolded Polyethylene

ROTOMOLDED GETAWAY

One of sailing's greatest pleasures is sharing it with your loved ones, and the Getaway stands ready to help you mint indelible memories. While a shorthanded crew can handle the Getaway in modest breezes, this capable catamaran can carry up to six sailors, making it a versatile family pleaser. The boat's newly redesigned rotomolded polyethylene hulls feature reverse bows and an additional six inches of length, improving the Getaway's playful performance. Enjoy impromptu picnic lunches, multi-boat raft-ups, and learn-to sail sessions. The Getaway's spacious nets provide ample seating, and optional wing seats bolster comfort and righting moment.

STANDARD FEATURES:

- Rotomolded-polyethylene hulls are positively buoyant and impact-resistant
- Integrated keels make beaching a breeze and eliminate the need for daggerboards
- EZ Loc Rudder System simplifies rudder operations
- Brightly colored, fully battened, boomless mainsail features a high-cut foot for easy tacks/gybes and ample visibility
- Forward and main mesh trampolines provide seating options
- Roller-furling jib streamlines headsail setup
- Integrated cooler/dry-storage chamber on both hulls provides storage options
- Comptip mast increases safety around power lines
- "Hobie Bob" mast float and righting line simplify capsized recovery

OPTIONS:

Wing seats, single trapeze system, beach wheels/dolly

SPECS:

Crew - E.C. category: **3 - C / 4 - D**

Length: **16' 7" / 5.20 m**

Beam: **7' 8" / 2.34 m**

Draft w/ Rudder Up: **10" / 0.25 m**

Mast Length: **25' / 7.62 m**

Sail Area: **180 ft² / 17 m²**

Weight: **390 lbs / 177 kg**

Capacity: **660 lbs / 300 kg**

Hull Construction: **Rotomolded Polyethylene**

**FUN WITH A FRIEND,
THE GETAWAY IS EVEN
BETTER WITH THE WHOLE GANG**

ROTOMOLDED T2

The can-do T2 matches a powerful sailplan and a double-trapeze rig with a pair of forgiving rotomolded polyethylene hulls to create a user-friendly, high-adrenaline rocketship. The T2's symmetrically shaped keels eliminate the need for daggerboards, and the boat's built-in righting line and "Hobie Bob" simplify righting maneuvers, should you accidentally discover the outside of the envelope. A square-topped mainsail, a Dacron jib, and an optional Gennaker make the T2 a perfect boat for sailors transitioning to high-performance multihull sailing, while still offering speed-to-burn performance to keep advanced-level sailors excited.

STANDARD FEATURES:

- Rotomolded polyethylene hulls with replaceable keel skids are durable and impact-resistant
- Square-topped, fully battened, brightly colored Dacron mainsail offers great leeward visibility
- Flat-cut Dacron jib is sheeted from a fixed point on the forward crossbar and features an integral anti-UV strip for easy furled-up storage
- Sturdy mesh trampoline features a handy sewn-in storage pocket
- EZ Loc Rudder System simplifies lowering or raising the rudder
- Tiller extension provides steerage control while hiking or weighting the wires
- Aluminum Mast
- "Hobie Bob" mast float and righting line simplify capsizing recovery

OPTIONS:

Gennaker kit with furler, Spinnaker launching and retrieval system, aluminum or Cat trax beach dolly,

SPECS:

Crew - E.C. category: 3 - C / 4 - D
Length: 16' / 4.90 m
Beam: 7' 8" / 2.43 m
Draft w/ Rudder Up: 10" / 0.25 m
Mast Length: 26' 6" / 8.07 m
Sail Area: 172 ft² / 16 m²
Weight: 388 lbs / 176 kg
Capacity: 529 lbs / 240 kg
Hull Construction: Rotomolded Polyethylene

A ROTOMOLDED ROCKETSHIP FOR SAILORS WHO WANT IT ALL

MIRAGE

ADVENTURE ISLAND

Pedal, paddle or sail: the Hobie Adventure Island easily converts from a capable kayak to a nimble trimaran, depending on the day's objective. Designed for singlehanded multi-sport fun, the Adventure Island sports a vertically battened, square-topped mainsail that can be roller-reefed in a breeze, as well as a pedal-powered Hobie MirageDrive® 180 that's equipped with brawny ST Turbo fins for light-air conditions. The comfortable Vantage CT seat, cleverly designed cockpit, retractable centerboard and sturdy rotomolded polyethylene hulls inspire solo or multi-boat exploits ranging from weekend escapes to playing-for-keeps events such as the Everglades Challenge.

STANDARD FEATURES:

- Pedal-powered reversing MirageDrive 180 eases locomotion on light-air days
- Ama floats and aka crossbars are lightweight and color-coordinated
- Fully-battened, boomless mainsail features an easy-to-use roller-reefing system
- Carbon-composite spar reduces weight aloft
- Custom spar and sail storage bag keeps your kit shipshape
- Integral centerboard fully retracts for skinny-water exploration
- Kick-up rudder simplifies launchings and beachings
- Two-part fiberglass paddle delivers upper-body workouts
- Plush Vantage CT seating is ready-made for extended adventures
- Stern cargo area, large covered bow hatch, and dual 8" "Twist and Seal" hatches accommodate multi-day stowage
- Lowrance® Ready System allows you to easily add Lowrance fishfinders and/or chartplotters

OPTIONS:

Livewell, aka trampoline kit, Hobie eVolve™ powered by Torqeedo electric motor kit, aluminum trailer, beach wheels/dolly

SPECS:

Crew - : 1 - EC Category Div 245

Length: 16' 7" / 5.05 m

THE HOBIE ADVENTURE
ISLAND OFFERS A TICKET
TO MULTI-SPORT FUN

AMPLIFY YOUR ON-THE-WATER
FUN WITH THE ONE-OR
TWO-PERSON **TANDEM ISLAND**

MIRAGE TANDEM ISLAND

When it comes to doubling down on the fun factor, it's almost impossible to beat the Tandem Island, an expedition-worthy kayak that quickly shape shifts into a nimble, two-person trimaran. The "TI" features three durable, rotomolded polyethylene hulls that encourage shallow-water exploration and enough watertight hatches and on-deck storage for a proper saline sabbatical. High-octane features include a two-part carbonfiber mast, a roller-reefing mainsail, a fully retractable centerboard, Harken blocks, dual MirageDrive 180's, and kick-up rudders. All running rigging is routed to both cockpits, and driving is a fingertip affair thanks to the boat's intuitive steering controls.

STANDARD FEATURES:

- Two pedal-powered reversing MirageDrive 180 and two two-part fiberglass paddles provide efficient locomotion on light-air days
- Ama floats and deck-mounted aka crossbars are lightweight and color-coordinated and easily retracted/removed
- Fully-battened, boomless mainsail features an easy-to-use roller-reefing system
- Carbon-composite spar reduces weight aloft
- Integral centerboard fully retracts for skinny-water exploration
- Kick-up rudder simplifies launchings and beachings
- Plush Vantage CT Seating is ready-made for extended adventures
- Stern cargo area, large covered bow hatch and three 8" "Twist and Seal" hatches accomodates multi-day stowage
- Fingertip steering and sail controls in both cockpits streamline sailhandling and driving
- Molded-in rod (2) and cup/bottle (4) holders encourage long days afloat

OPTIONS:

Livewell, aka trampoline kit, Hobie eVolve™ powered by Torqeedo electric motor kit, aluminum trailer, beach wheels/dolly

SPECS:

Crew: 1-2

FIBERGLASS DRAGOON

The Dragoon is the result of the collaboration between sailing schools and Hobie Cat. It has been specially designed to train sailors from initiation to performance racing. This catamaran is equipped to start sailing in regattas, then evolve into highly competitive competition.

STANDARD FEATURES:

- White fiberglass hulls
- Neoprene anti-skid strip
- Colored Dacron sails, radial cut, reef points in main sail and jib on furler
- Mesh trampoline with pocket
- Lexan rudder blades
- TCM connection kit
- Aluminium tiller extension
- Rear crossbar with integrated rail
- Standard blocks
- SSI main traveler
- Mast float (Club model)

OPTIONS:

2-piece mast, Rudder cover kit, trumpet spinnaker kit (Club), Righting kit, aluminium beach dolly, Xtrem kit (including Self tacking jib kit, trumpet spinnaker kit, race rudder assembly and race blocks)

SPECS:

CREW - E.C. CATEGORY: 3 - D

RACING CREW : 2

LENGTH: 3.91 m / 12' 8"

BEAM: 2.20 m / 7' 2"

MAST LENGTH: 6.40 m / 21'

FROM INITIATION TO PERFORMANCE RACING WITH THE HOBIE DRAGOON

THE FAMOUS SCHOOL BOAT

FIBERGLASS HOBIE 15

Highly recreational and forgiving, the Hobie Cat 15 Club has a great floatability. With its wide platform, it is the reference boat for school sailing and safe family leisure.

STANDARD FEATURES:

- White reinforced fiberglass hulls
- Removable protection keel
- Anti-skid neoprene
- Dacron colored sails, with reef points in the main
- White trampoline with pocket
- Lexan rudder blades "Easy Lock" rudder system
- TCM connection kit
- Aluminium tiller extension
- Rear crossbar with integrated rail
- Standard blocks
- Jib halyard "Worlds"
- CCT main traveller
- Double trapeze
- Mast float

OPTIONS:

2-piece mast, Mesh trampoline, Jib furler kit, Rudder cover kit, trumpet spinnaker kit, Gen-naker kit on furler, Righting kit, aluminium beach dolly

SPECS:

CREW - E.C. CATEGORY: 3-C / 4-D

LENGTH: 4.95 m / 16' 4"

BEAM: 2.26 m / 7' 5"

MAST LENGTH: 7.20 m / 23' 7"

MAINSAIL AREA: 11.50 m² / 124 ft²

JIB SAIL AREA: 3.50 m² / 37,7 ft²

SPI AREA : (option) 17,5 m² / 188,37 ft²

WEIGHT: 155 kg / 342 lbs

CAPACITY: 320 kg / 705 lbs

HULL CONSTRUCTION: Fiberglass/Foam Sandwich

FIBERGLASS HOBIE 16

Forget stuffy yacht clubs and overcooked nautical pageantry: The beach-launched Hobie 16 redefines international paradigms by offering high-performance sailing without the straw hats and stuffed shirts. The Hobie 16 uses a double-trapeze rig to tame its powerful sailplan, and its lift-generating asymmetrical fiberglass hulls eliminate the need for crew-work intensive daggerboards. The result is a sporty thrill machine that has introduced a myriad of sailors to evolving apparent-wind angles and multi-hull fun. More than a hundred thousand boats later, the Hobie 16 commands respect thanks to its ability to fly hulls and generate grins.

STANDARD FEATURES:

- Asymmetrically shaped fiberglass hulls eliminate daggerboards and facilitate easy beach launchings and landings
- Kick-up rudder system makes for easy landings on beaches and boat ramps
- Powerful, brightly colored Dacron mainsail and jib are race-ready and internationally iconic
- Double-trapeze rig allows you to control the boat's powerful sailplan
- Ball-bearing Harken blocks dramatically reduce line-handling friction
- Black anodized-aluminum spar is stiff and lightweight and features a Comptip mast for increased safety margin when sailing near power lines
- Elevated trampoline helps ensure a dry ride and great footing while weighting the trapeze wires
- Carbon-fiber rudder foils are strong and lightweight

OPTIONS:

2 piece mast, trumpet or classic spinnaker kit (including spi), gennaker kit on furler, cover kit (trampoline / rudders / spinnaker trumpet), righting kit, mast float, aluminium beach dolly

SPECS:

AUTHENTIC EMOTIONS, DISCOVERY, ADVENTURES WITH THE PEARL

FIBERGLASS PEARL

Intense sensations, while safeguarding the origins, a unique source of inspiration... The Pearl was imagined and conceived to offer immense pleasure to all, a unique opportunity to share the authentic emotions of raids and adventures on an 18 footer among friends.

STANDARD FEATURES:

- White fiberglass hulls with EVA anti-skid and swiveling center-boards
- Colored Dacron sails with reef point
- Mesh trampoline mesh with pocket
- White Knight rudder blades
- TCM connection kit
- Telescopic tiller extension
- Rear crossbar with integrated rail
- Race blocks
- Ball bearing main traveler
- Jib furler
- Gennaker kit on furler
- Double trapeze

OPTIONS:

2-piece mast, Mast float, Cover kit trampoline/rudders, Righting kit, Cat Trax with cradles, Cruiser wing kit

SPECS:

Crew - E.C. Category: 2/3 - C

Length: 5.48 m / 18'

Beam: 2.55 m / 8' 4"

Mast Length: 9 m / 29' 6"

Mainsail Area: 17 m² / 183 ft²

Jib Sail Area: 4.15 m² / 44.7 ft²

Gennaker Area: 15 m² / 161.5 ft²

Weight: 190 kg / 396 lbs

Capacity: 240 kg / 529 lbs

Hull Construction: Fiberglass/Foam Sandwich

FIBERGLASS WILD CAT

If speed is your game, the Hobie Wild Cat stands ready to over-deliver—just add wind, water, and some weight on the trapeze wires, and this high-performance catamaran will demolish your expectations for on-the-water fun. Featuring wave-piercing bows, a carbon-fiber rotating wing mast, a double-trapeze rig, carbon-fiber rudders and daggerboards, and a pair of lightweight fiberglass hulls, the Wild Cat has the racing pedigree to devastate most racecourses. The Wild Cat's sailplan includes a square-top, Pentax Mylar mainsail, a self-tacking jib and an asymmetric spinnaker that's easily extinguished in a breeze thanks to its sock-style snuffer system. *Giddyap!*

STANDARD FEATURES:

- Fiberglass hulls with EVA anti-skid and stern-mounted inspection ports are lightweight and stiff
- Rudder blades and daggerboards are carbon fiber-reinforced for strength and weight savings
- Carbon-fiber telescoping tiller extension eases steering while hiking-out
- Rotating wingmast provides extra lift and performance
- Powerful, square-topped, Pentax Mylar mainsail and fully battened, self-tacking jib provide ample horsepower
- Spinnaker and sock-style snuffer maximize smiles while sailing off the breeze
- Dual-trapeze rig tames the powerful sailplan
- 10:1 mainsheet system with ball-bearing Harken blocks encourage heavy-air sailing
- 16:1 Cunningham system uses lightweight and strong Spinlock blocks
- Double trapeze

OPTIONS:

Aluminum trailer with optional double rollers and spar stand, beach wheels/dolly hull cradles
