

Hobie® Mirage® Stand Up
Eclipse Display
Instructions

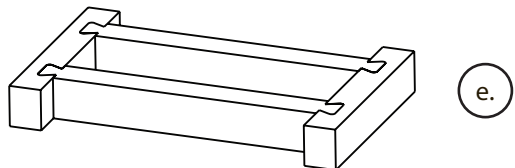

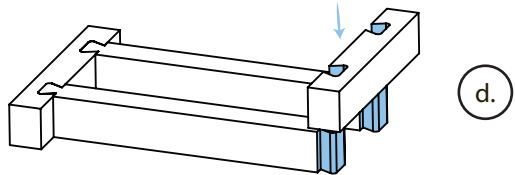

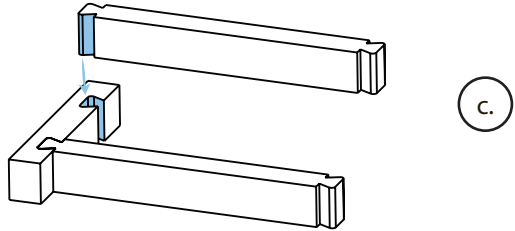

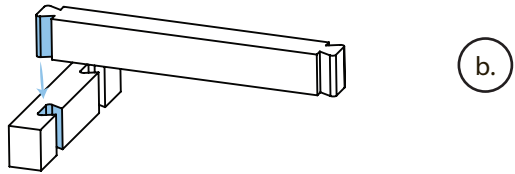

Parts:

This box includes two middle foam pieces, two end foam pieces, four bungee cords, and two side Mirage eclipse signs.

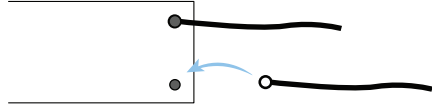

Attachment:

Start with one end piece and slide one of the middle foam pieces into the aligned hole. Do the same thing with the second middle piece, then cap the exposed ends with the second end piece.

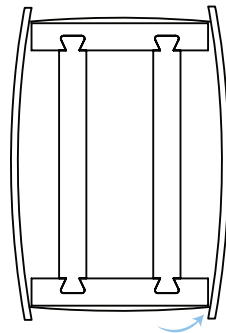

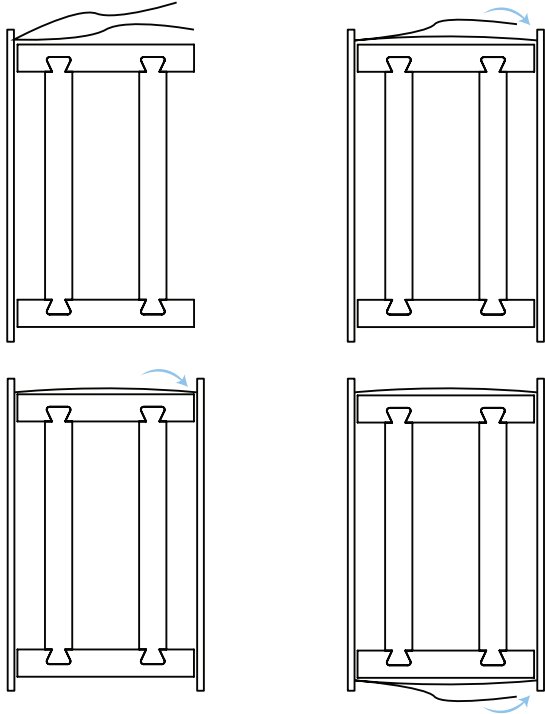

Bungees:

Attach the four bungees to one of the signs in all four corners.

Attachment:

Align one sign to the side of the foam structure with the bungees facing inward. Loop the bungees to the corresponding ends of the second sign. Repeat the same process for the second two bungees. The signs should bow out against the foam structure once all four bungees are attached.
